

DANTHULURI VIKAS VARMA

Kakinada, Andhra Pradesh, India

vikasvarmadanthuluri@gmail.com | +91-8074708679 | GitHub | LinkedIn | LeetCode | HackerRank | CodeChef

PROFESSIONAL SUMMARY

Software Engineering student with strong foundations in Data Structures, Algorithms. Proficient in Python with 300+ coding problems solved. Experience building projects using cloud technologies (AWS) and interested in developing scalable backend systems. Strong problem-solving ability and interest in AI/ML.

EDUCATION

Aditya College of Engineering and Technology <i>Bachelor of Technology in Computer Science Engineering - AI/ML</i>	2023 – 2027 CGPA: 7.7/10.0
Tirumala Junior College <i>Intermediate (MPC)</i>	2021 – 2023 Percentage: 93%

TECHNICAL SKILLS

Programming: Python, C, C++
Web Development: HTML, CSS
Databases: MySQL, SQL
Cloud: Amazon Web Services (AWS)
Tools: Git, Jupyter Notebook, Excel, Power Automate, SharePoint, Snowflake, Power BI

PROJECTS

Opportunity Nexus – Where Entry Meets Automation <i>Power BI, SharePoint, Power Automate</i>	<i>June 2025</i>
- Designed and implemented an automated system to connect and manage college events using Microsoft 365 tools. - Developed interactive Power BI dashboards to track event schedules, participation, and feedback in real-time.	

INTERNSHIP

Technical Hub Pvt. Ltd. <i>Data Specialist Intern</i>	May 2025 – June 2025 <i>Surampalem, India</i>
- Assisted in cleaning, organizing, and validating datasets for accurate reporting and decision-making. - Gained hands-on experience with Excel, Power Automate, and SharePoint to streamline workflows.	

CODING COMPETENCY

LeetCode: Solved 100+ problems | CodeChef: Solved 300+ problems | HackerRank: 5 Stars in SQL, 3 Stars in Python

CERTIFICATIONS

- SQL Certificate - HackerRank (2025)
- Python Programming Certification - Cisco (2024)
- AWS AI Practitioner - AWS (2025)
- SnowPro Associate - Snowflake (2026)

ACHIEVEMENTS

- Maintained 7.7 CGPA in Computer Science Engineering - AI/ML specialization
- Secured a 5-star rating in SQL on HackerRank
- Successfully completed 300+ problems on CodeChef

SOFT SKILLS

- Collaborative team player who fosters positive working relationships
- Excellent communication skills for clear and persuasive exchanges
